About Zamaz plc:

Zamaz plc is a technology driven e-commerce business that originates, acquires or licenses, operates and scales small and medium-sized brands with category-winning products on global marketplaces. With ever prolific customer data sources, the advent of turnkey e-commerce website platforms, such as Shopify, and a thriving ecosystem of third-party software integrators, the options available to launch and build brands that can be marketed, sold, and shipped online quickly and globally with limited risk have never been more compelling. Such marketplaces, led by Amazon and eBay, also provide connection to millions of consumers, and have become a first-choice route-to-market for a generation of micro and small and medium-sized enterprise businesses.

Zamaz mines and analyses data from such online retail technology platforms which provide significant insights into consumer shopping behaviour and trends and enable the business to deploy, market and sell an optimised portfolio of brands, products, packs and prices aligned with active, real-time consumer needs and demands principally on UK and EU Amazon marketplaces.

About Bella Dispensa:

Bella Dispensa, a wholly-owned subsidiary of Zamaz, is an Italian-based online retailer of gourmet Italian food products which operates in one of the fastest growing online sectors, grocery shopping. The

extensive relationships that Bella Dispensa enjoys with its niche food suppliers makes it a strong addition to the Zamaz Brand Portfolio and will give Zamaz the opportunity to showcase and sell Bella Dispensa sourced products on its online platform.

Bella Dispensa has already made three acquisitions since Zamaz listed on the Main Market of the London Stock Exchange: Ecocarni, a purveyor of premium quality meats and associated products sourced from Italy and Argentina to both wholesale and retail customers, from its flagship store in Milan and Eccellenze S.r.l. which has a retail store located on Milan's prestigious Corso Venezia, one of the city's most exclusive and elegant avenues, being part of the upscale Quadrilatero della moda shopping district. Recently established in Q4 2021, Eccellenze has grown rapidly, and now offers over 1,000 premium quality food products in-store, including cheese, pasta, wine and oil. Its highly experienced management team has also developed a unique eno-gastronomic "lifestyle shopping experience" for its growing, highly discerning client base.

Most recently, Bella Dispensa has acquired Dallate Italia srl. Dallatte, based in Piedmont, Italy, is a manufacturer and distributor of premium dairy products using natural ingredients including ice cream and pastries, milk, butter and cooking cream, fresh and dry pastries and frozen filled pasta. The Dallatte brand is synonymous with "Italian Food Excellence" and has distribution outlets across Europe.
